About This Collection

Home Boy brings together Zaizaikhun and GunGun for a steamy Asian encounter that more than lives up to its name. From slow, teasing touches to deep, hungry passion, these two boys hold absolutely nothing back. Sweet Little Sheep drops his innocent image, leaving black-and-white purity behind for something far more impermanent — pure, burning desire. Want to see every scorching moment? When daddy takes control and the young man begs for it harder, the temperature only climbs. Follow the link above to view the full gallery now.
