chuchu (derpixon), bluethe

About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. That's presumably English? Plain text only, no markdown, no lists, no quotes. End with natural invitation to view full gallery via link above. Title is "derpixon". Must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating rest as needed. Answer in same language as title "derpixon". Must be one coherent paragraph, tease models, setting, action without listing captions mechanically. It's a word, maybe English. So write in English.

Constraints: No AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No generic positive endings; end on a concrete fact or plain natural invitation. No "not only X but Y", "At its core", or forced groups of exactly three items. No em or en dashes; split sentence or use comma. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "to" instead of "in order to"; use "because" instead of "due to the fact that". No emojis, no curly quotes, no markdown, no bold. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We must reuse at least 20% of key words from captions. Let's identify key words: "Rule34", "derpixon", "grimace", "mcdonalds", "ronald mcdonald", "2girls", "Beret", "Big Breasts", "Black Hair", "Blush", "Blushing", "Bonbon", "Chuchu", "Derpixon", "Female", "Gesture", "Girl Only", "Lucyfercomic", "Mime", "Mime And Dash", "Mime Girl", "Partially Clothed", "Sex Gesture", "dashie", "dimdim", "tagme", "rizella", "Party games", "Sex scenes only", "The Artist Migration", "MYSTERY BANG", "Sub Español", "bluethedbone", "vzvov tv", "2boys", "Come Journey With The Travelers", "Full Derpixon Collection", "1080p", "60fps", "Herzha", "Greenu", "animated", "FateGrandOrder", "Fate(series)", "MusashiMiyamoto", "Rule 34 Dev", "ass", "bonbon(derpixon)", "chuchu(derpixon)", "femaleonly", "mimeanddash", "mimegirl", "multiplegirls", "tagme", "Nymph Pleasuring Herself", "JupiterOrange", "Practice Mode", "The Cursed Prince".

We need to reuse at least 20% of these key words. So need at least 10 distinct key words from captions appear in description. But we can reuse maybe 10-12 distinct words. That's a lot. $20\% = 10$. Let's count unique key words: maybe 50. Must be natural.

We need to write 60-90 words. Let's aim for ~80 words.

We must end with invitation to view full gallery via the link above. So something like "Check the link above for the full gallery." That's a concrete invitation.

We must not use prohibited words. Avoid "it is important to note". Avoid "At its core". Avoid "additionally". Avoid "furthermore". Avoid forced groups of exactly three items. Avoid "showcase". Use "because" instead of "due to

the fact that". Avoid "pivotal". Avoid "boasts". Avoid "not only X but Y". Avoid "tapestry". Avoid "nestled", "breathtaking", "unforgettable". Avoid "boasts". Avoid "showcase". Avoid "pivotal". Use "to" instead of "in order to". Avoid "crucial". Avoid "it is important to note". Avoid "vibrant", "testament", etc. Avoid "landscape". Avoid "delve". Avoid "moreover". Avoid "crucial". Avoid "additionally", "moreover", "furthermore". Avoid "serves as". Avoid "serves as". No inflated importance, no sales language, no clichés.

We must not use em or en dashes. Use commas.

We must not use markdown, bold, quotes.

We must keep plain text.

Now produce a paragraph.

We need to incorporate at least 10 key words: e.g., "derpixon", "grimace", "ronald mcdonald", "Bonbon", "Chuchu", "Mime", "Dashie", "dimdim", "rizella", "Herzha", "Musashi Miyamoto", "Nymph", "Cursed Prince". That's many.
