Chinese chippendale wallpaper dining room.

About This Collection

Step into dining rooms where wallpaper sets the mood. Blushing Bungalow shows bright wallpaper and green, while Castlery dining ideas stay modern. Floral green patterns and dark green botanical William Morris-inspired walls meet chair rail, wainscotting, and half wall paneling. Chinese chippendale, stripe, and framed wallpaper panels appear with tan walls and Magnolia home touches. A soft blue frames floral wallpaper like artwork beside black chairs.
