About This Collection

LEX, the artist behind lexdark, fills this NSFW gallery with Bungou Stray Dogs fan art and a few original pieces. Two people in hats hold each other close, and other sketches come from zine work and comms. Chuuya Nakahara shows up with ginger hair and a choker, sometimes in lingerie, while Dazai sits beside him in quieter frames. One drawing was colored from a favorite day, as the caption says. Life is not daijobu, and the humor stays dry. View the full gallery through the link above.
