About This Collection

In the dandy's world gallery, a gagged slave boy is strapped to a metal chair in a dark dungeon, his body glistening as a custom condom covers his penis during penetration, while cuminside leaks. Nearby, shelly and tisha appear in twisted scenes that blend roblox aesthetics with explicit acts, including threesome and lesbian

play, all under the rule34 banner. The high quality images capture moments of bliss and crying, inviting viewers to explore the full collection via the link above.
