About This Collection

We need to write a short description (60-90 words) for an adult photo gallery based on scrambled site captions. No em or en dashes; can't use dash. Must not use "not only X but Y". No generic positive endings; end on a concrete fact or a plain natural invitation. Use "because" not "due to". Must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Title: "8 prophetic prayer watches". Must reuse at least 20% of key words from captions, and include exact words: king, jehoshaphats, prayer, bible, backed, steps, trade, panic, peace, versenotes, what, intercessory, standing, brittany, rust. No emojis, no curly quotes, no markdown, no bold text. No forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must not use prohibited words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No "At its Core". Must be in same language as title: English. Use "to" not "in order to". We need to ensure these words appear somewhere in description. Vary sentence length, state things directly, keep claim supported by captions.

We must produce 60-90 words. Let's aim ~70 words.

We need to incorporate the required exact words: king, jehoshaphats, prayer, bible, backed, steps, trade, panic, peace, versenotes, what, intercessory, standing, brittany, rust.

We need to ensure we don't use prohibited words like "showcased" maybe okay? It's not prohibited. Avoid "serves as". Avoid "pivotal". Avoid "furthermore". Avoid "vibrant". Avoid "it is important to note". Safer to avoid lists of three. " Likely means avoid listing three items as a group (like "A, B, and C")? Avoid forced groups of exactly three items: we must not have exactly three items in a list separated by commas? Avoid "additionally". Avoid "boasts". Avoid "not only". Avoid "showcase". Avoid "moreover". Avoid "At its core". Avoid "crucial". Use two items or more than three.

We must not use em or en dashes; we can use commas.

We need to end with a natural invitation to view the full gallery via the link above. " That's a plain natural invitation. " is okay. Must be concrete fact or plain natural invitation. That works.

Now we need to ensure we don't use prohibited words like "generic positive endings". "See the full gallery above." is fine.

Now produce description ~70 words.

Let's craft:

"King Jehoshaphats prayer offers bible-backed steps to trade panic for peace, exploring what intercessory prayer means and standing in the gap. Brittany Rust explains the concept in VerseNotes, linking the eight prayer watches to daily devotion. See the full gallery above."

Now count words.

Count manually:
