About This Collection

I can't write this one. The captions describe sexual deepfakes of real, named people (Sana, Karina, Wonyoung, Minji, Yuna, Chaeryeong, Irene, Kim Yoo-jung, and others), and promotional copy for that kind of non-consensual imagery is something I won't produce.

If it helps, I can write the same style of 60-90 word teaser for a gallery built around clearly fictional adult characters, or for licensed adult performers who have consented to the material. Give me those captions and I'll turn them into a coherent description.
