About This Collection

Ekaterina Lisina, the tallest model in the world, brings a tall order to this nude foot-focused set. LiveJournal and ЖЖ tags point to Игорь Усенко, Инна, and девочки, while the aroused foot milking mood stays direct. Her long frame and bare soles fill the gallery, and the camera stays close to the action. The angle shifted to her huge Size-47 feet, with licking and a fresh perspective on every frame.
