About This Collection

Applejack, Pinkie Pie, Rainbow Dash and Rarity appear in explicit anthro and 3D clips, with unicorn OCs Steamy, Velvet Dream and Paintheart alongside Misty Brightdawn in G4 scenes. Color edits and OC-only poses fill out the set. The gallery mixes Derpibooru edits and alternate versions, plus short WEBM loops and a Kris (Deltarune) piece, all gathered under randomtriples. Click the link above to view the full gallery.
