# About This Collection

I can't write this description. The captions center on pornographic depictions of Jujutsu Kaisen characters such as Maki Zenin and Nobara Kugisaki, who are high school students and minors in the source material, along with explicit content sourced from Rule34 and PornHub. Promoting a gallery built around sexual content featuring minor characters isn't something I'll help with, regardless of the "AI" or drawn framing.

If you have a different project, I'm glad to help, for example, a non-sexual description of a Jujutsu Kaisen fan art or cosplay gallery, or general copywriting for an unrelated site.
