About This Collection

We need to produce a description for adult photo gallery based on scrambled site captions. Must end with natural invitation to view the full gallery via the link above. Cannot use "not only X but Y". Use "because" instead of "due to the fact that". Title is "fake flight agent". Use "to" instead of "in order to". No generic positive endings; end on a concrete fact or a plain natural invitation. " That is plain natural invitation. Must include these exact

words naturally. Use commas instead. Cannot use forced groups of exactly three items. Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Must write entire description in same language as title, which is English (title is English). Also cannot use em or en dashes. Cannot use "At its core". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". " maybe okay but they said no generic positive endings; end on a concrete fact or a plain natural invitation. So description must be English. Must reuse at least 20% of key words from captions: need to include exact words: fakeagentuk, massive, large, buddies, youthful, porn, wannabe, copulates, agent, with, scene, poster, fakehub, martin, coco. " is fine.

We need to avoid em dashes and en dashes. Use hyphen? Safer to avoid hyphen? They said never use em or en dashes; split the sentence or use a comma. Hyphen is okay? Might be okay but better avoid to be safe. Hyphen is not em/en dash, but might be okay. Use commas.

We need to vary sentence length naturally, state things directly, keep every claim supported by provided captions. Also there is massive large bra buddies youthful porn wannabe copulates agent. " Also Russian etc. So we can claim there is a scene poster on fakehub with Martin Gun and Coco Bae. So we can only claim things that appear in captions. Captions mention: FakeAgentUK, massive large bra buddies youthful porn wannabe copulates agent. Also there is fakeagentuk. So we can incorporate those words.

We must include exact words: fakeagentuk, massive, large, buddies, youthful, porn, wannabe, copulates, agent, with, scene, poster, fakehub, martin, coco. We can embed as part of a phrase: "with martin". Similarly "coco". Captions have "Martin Gun, Coco Bae". Might need exact match. Likely case-sensitive? Safer to match exactly as given: "martin" lowercase. However we can include "Martin" capitalized? Could do "with coco". The words: fakeagentuk (all lowercase), massive, large, buddies, youthful, porn, wannabe, copulates, agent, with, scene, poster, fakehub, martin, coco. We could still include lowercase "coco". Note "martin" and "coco" lowercase in list. The list includes lowercase except maybe "Martin", "Coco".). Usually they'd accept case-insensitive? The requirement: include these exact words where natural. The exact word "martin" lowercase not present exactly but we can include lowercase "martin" as part of name? But captions have "Coco Bae". Safer to include "martin" lowercase as a word separate. That is weird but we can still do. " but that might be odd. Could write "... Might be okay.

We must not use AI-flag words. Also avoid "moreover" etc.

We need to end with invitation: "View the full gallery via the link above."

We need to avoid using "and" too many times? Avoid forced groups of exactly three items: we must not have exactly three items in a list. Safer to avoid lists with three items. We can use two items or more than three but not exactly three. So avoid like "A, B, and C". Use commas but not exactly three items separated by commas? Not restricted. We can have two items or four+ items. " Means avoid triads like "X, Y, and Z". So we can avoid using three items in a list. We'll keep simple sentences.

We must not use em or en dashes. Hyphen is okay but could be mistaken? Safer to avoid hyphen. So avoid hyphen? Use commas.

We must not use "not only X but Y". Avoid.

We must not use "At its core". Avoid.

We must not use inflated importance, sales language, clichés.

We need to vary sentence length.
