About This Collection

Miatalia pairs Mia and Talia for a sweet, playful adult set that shifts from a spiderman outfit to gray faux snake skin pumps and a Mia Bloom phone case. Shot around Macerata, Italy, the two try today's fit, show off their ootd choices and ask who wears it better at 22. Baby and bunny energy runs through the frames, with My Pretty Dress and instagood touches. Follow the link above to view the full gallery.
