About This Collection

Yori Asanagi and Himari Kino lean close in one frame, and Yuzu Aihara with Mei Aihara carries the shoujo ai mood into another. A few shots read like wattpad covers, others like quiet lesbian love stories caught between glances. Ume Nguyet and Hitomi drift through romantic scenes built for phone screens. Girl x girl couples fill this yuri anime wallpaper set, drawn from manga panels and retro illustrations, warmed by soft pink wine tones. Tap the link above to view the full gallery.
