# About This Collection

Naomi and Sergei return for duo 2, a travesti pairing from Faphouse, gathered here as 71 photos. Funny pictures and смешные картинки fill the source pages, but this gallery stays on the pair. The two stay close in every frame, and the archive holds the whole sequence, mobile ready. Kvetinas naomi naotl names the main run, with Dolce modz and imx tagging the earlier 59 photo set. Turkish listings file it under porno videoları, others plain porn. See the full set via the link above.
