About This Collection

Step into the decadent world of suppainoga suki, where a single royal decree unleashes an ouken sandatsu fantasy. Inside the oukyuu, the royal court transforms into a chinpo no yuenchi, a playground of mature desire where suppai sweetness lingers on every curve. One ochinpo — ippon, bold and unyielding — is enough to trigger oukoku houkai, toppling the kingdom through sheer pleasure alone. Craving something wickedly sour? Drawn from pixiv-fueled compilations spanning 2020-2023, each image drips with kasshoku allure and succubus charm. Follow the link above to view the full gallery.
