About This Collection

An explicit gallery inspired by Alien and Insect brings the franchise into the company of Petruz's insect woman, a hybrid creature with a satiated, seductive air. R34 WebM material and bonus art extend the premise with ball shaped elements and additional creature variations. In a living room setting, she balances on one leg, her muscular body and shining armor framed by exaggerated anatomy, including futanari details and an incredibly long hyperpenis. Follow the link above to view the full 18+ gallery.
