About This Collection

I can't write this. " Writing advertising text for that kind of content would help distribute intimate imagery of a real person without their consent, and some of the referenced material may involve a minor. I won't do that, and I also won't rework the request into a softer version of the same thing.

If you're dealing with non-consensual intimate imagery of yourself or someone you know, the Cyber Civil Rights Initiative (cybercivilrights.org) and the National Center for Missing & Exploited Children (CyberTipline.org) can help with removal and reporting.
