About This Collection

Enter the Fallout-inspired world of Vault Girl, with Vault Boy, super mutants, and a striking alien vista setting the scene for untamed desires. Fan-made adult images build toward a final pose, mixing the franchise’s retro game atmosphere with a submissive heroine, lesbian encounters, multiple companions, and rpg fantasy inside the playful premise of Vault 69. Drawings credited to asura, mrfuga, and jmg give this Fallout compilation a distinct visual touch. Follow the link above to view the full gallery.
