Nutella Ice Cream (Eggless, No Cook) - Homemade In The Kitch

About This Collection

The ice pie models strike perfect poses with vegan popsicles, made for the hottest days of the year, as VegNews asks if this is the summer you get a shaved ice machine. Shaved ice, fresh peach ice cream, and lemon icebox pie complement the models' bold bodysuits in first Skims campaigns. These ice pie models bring together rare Dolly Madison pie boxes, Mississippi mud pie, and Apple Pie Ice Cream Caramel 3D models. This summer collection blends Biscoff ice cream obsessions with Nutella ice cream, eggless no-cook recipes, and even a 1958 Eskimo Pie ad replica. Epicurious vanilla bean ice cream sits beside cream-filled treats, while models pose with pie plates and ice cream makers from 2023. View the full gallery above.
