About This Collection

Enter a bold fan-art universe where Masha and her bear shed all innocence for racy anime art. Golden bear and palcomix-style scenes take the classic cartoon into wild, explicit territory—yet the playful spirit of Мультфильмы remains. Don't hold yourself back: she can handle it. This adult gallery mixes funny avatars, steamy hentai, and passionate fanfic love stories, starring the ever-eager bear girl. View the full collection via the link above.
