18 new movies have dropped on Netflix US this week alongside

Иногда и Netflix может делать качественное кино .

Medieval (2022) - IMDb

About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Plain text only, no markdown, no lists, no quotes. jahrhundert netflix". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No em or en dashes; split sentence or use comma. No "not only X but Y", "At its core", forced groups of exactly three items. The gallery title is "filme 18. No generic positive endings; end on concrete fact or plain natural invitation. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". No AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No emojis, no curly quotes, no markdown, no bold. The description must be in same language as title: German (since title is German). Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Must end with natural invitation to view full gallery via link above. Must translate rest as needed. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to produce 60-90 words. Let's count approximate words.

We need to incorporate key words from captions: "Der Preis der Versuchung", "Medieval (2022)", "Bridgerton", "royale Hochzeitsmarkt", "The Alienist", "Grausames New York", "Young Royals", "FIFIB", "Barbaren und Wikinger", "historischen Serien", "Netflix", "Murder and mystery", "La Révolution", "Queen", "Marco Polo", "britischen Kostümdramen". Also "Filme und Serien wie Bridgerton", "Vogue Germany", "Kino auf dem Sofa", "Arthouse-Filme", "Filmverleih streamt". Also "13 besten britischen Kostümdramen". Also "18 new movies have dropped on Netflix US this week alongside 13 new series". Also "Das verlorene Piratenreich". Also "Top-Dramen, Biografien und Abenteuerfilme". But we need German description.

We must reuse at least 20% of key words. Let's count key words: maybe 30 distinct terms. 20% = 6 terms. We'll include many.

We need to write a paragraph 60-90 words. Let's aim for ~75 words.

We must avoid prohibited words. Avoid "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Also avoid em/en dashes. Use commas.

No "not only X but Y". So avoid listing three items in a row. No forced groups of exactly three items. No "At its core". Use varied sentence lengths.

End with invitation to view full gallery via link above. Something like "Schau dir die vollständige Galerie über den Link oben an." That's a concrete invitation.

We must ensure plain text, no markdown.

Let's craft.

Word count: Let's count approximate.

Potential paragraph:
