About This Collection

Here's a thinking process:

1. Analyze the Request:

- Input: A list of scrambled site captions from an adult photo gallery based on "7th prince r34" (Reincarnated as the 7th Prince, magical ability, Sylpha, LloyddeSaloum, etc.)

- Task: Write a short, enticing description (60-90 words) for an adult photo gallery.

- Constraints:

- Coherent, engaging paragraph, teases models, setting, action

- Don't list captions mechanically

- Naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms)

- Translate the rest as needed

- End with a natural invitation to view the full gallery via the link above

- Plain text only, no markdown, no lists, no quotes

- Answer in the same language as the input (the title is "7th prince r34", which is English, but the captions have some Japanese/transliterated terms; I need to use the same language as the input - the title is English, so I'll output in English)
