## About This Collection

ViciNeko brings the Prinzessin herself into a deliciously wicked scenario in Fischl X Slime – A Special Delivery, a stunning 4K animated treat from Genshin Impact. Watch Fischl von Luftschloss cross paths with a pulsating slime for a wild ride she never saw coming — mind your manners indeed, because this special delivery is anything but polite. Ready to see how it all unfolds? Every frame pulses with detail as the curious creature gives the thunder-wielding investigator a first time she won't forget.
