About This Collection

Hotaru appears in many guises across this Japanese adult gallery, from the schoolgirl uniform and pantyhose of Sailor Moon Crystal to the business suit of The Idolmaster, with hints of Gakuen Alice, Demon Slayer, and Wizard Barristers. Shidare Hotaru, Tomoe Hotaru, Imai Hotaru, and other versions pose in suggestive scenarios involving lingerie, yuri, betrayal, and intimate encounters. Odagiri Hotaru and Mizushina Hotaru add darker edges, while Tsukaasa brings a housewife fantasy. Enter your username, email, and password to register, then view the full gallery via the link above.
