About This Collection

Dive into MrSadbat's AI-generated comics where androgynous boys and futanari beauties blur every line. The Friends With Benefits series delivers bussy-teasing chaos, big asses, and dripping drool in vivid neural-net detail. From ahegao faces and biting sheets to hard anal and after-sex sprawls, these horny elves and blonde-eyed crossdressers push every fantasy, including a surprising Mikasa Ackerman cameo. Don't just imagine it—click the link above to view the full gallery and see every filthy panel.
