Gallery 1 - Zizou and the Arab Spring

About This Collection

We need to write a short enticing description 60-90 words, in the same language as the title "ازای ازود وزنی". So key words: "Миллионы", "картинки", "PNG", "фон", "пнг", "рисунок", "бесплатной", "загрузки", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "1", "Zizou", "Arab", "Spring". Use the same language as the title: Arabic. So description must be in Arabic language. Must reuse at least 20% of key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. " That is natural. So we need to include some of those words, perhaps transliterated into Arabic? Byed Pedroza Vives Gallery 1 - Zizou and the Arab Spring". Also maybe "Millions". Let's craft about 70 words in Arabic. Might be Arabic script. " But must be Arabic. Include some of the key words: "PNG", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "Zizou", "Arab", "Spring". That title is Arabic? " So we need to reuse some of those key words, possibly unchanged. No AI flag words, no dashes, no quotes, no emojis. Captions: "Миллионы картинки PNG, фон и пнг рисунок для бесплатной загрузки Pngtree Fo... Must end with invitation to view the full gallery via the link above. Must end with a natural invitation to view the full gallery via the link above. That's about 3-4 words. Use plain text, no quotes. We can include "PNG", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "Zizou", "Arab", "Spring". Must not use AI-flag words, no markdown, no quotes, no lists, no emojis, no dashes (em or en). We can reuse them as is, but we need to write description in Arabic, so we can embed some of those words (like "PNG", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "Zizou", "Arab", "Spring") as they are, maybe transliterated? They are in Cyrillic and English. Actually "ازای ازود وزنی" looks like Arabic transliteration? Must be 60-90 words. Provide plain text only. At least 20% of these key words reused. We can reuse the exact words as they appear? That's enough. We need to reuse at least 20% of key words (names, nicknames, distinctive terms). Use Arabic script for rest.

We need to avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid generic positive endings; end on concrete fact or plain natural invitation. Also avoid inflated importance, sales language, clichés like "nestled", "breathtaking", "unforgettable". Also avoid "not only X but Y", "At its core", forced groups of exactly three items. We'll end with invitation.

We need to ensure no em or en dashes. Use commas or split sentences.

We need to avoid quotes. No markdown.

Let's write Arabic description ~70 words.

Count words roughly. Let's draft:

"حيث يلتقط زيزو روح ،1 Byed Pedroza Vives Gallery عالية الجودة مستوحاة من أعمال PNG معرض ازاى ازود وزنى يقدم مجموعة من الصور واستكشاف كل تفاصيل المجموعة. لمشاهدة Pngtree الربيع العربي عبر خلفيات وتفاصيل دقيقة. يمكنكم تحميل الخلفيات والرسومات مجاناً من المعرض الكامل يرجى النقر على الرابط أعلاه."

Now count words (Arabic words separated by spaces). Let's count:

(8)الصور (7)من (6)مجموعة (5)يقدم (4)وزنى (3)ازود (2)ازاى (1)معرض PNG(9) (14)أعمال (13)من (12)مستوحاة (11)الجودة (10)عالية Byed(15) Pedroza(16) Vives(17) Gallery(18) 1،(19) (26)عبر (25)العربى (24)الربيع (23)روح (22)زيزو (21)يلتقط (20)حيث (35)من (34)مجاناً (33)والرسومات (32)الخلفيات (31)تحميل (30)يمكنكم (29)دقيقة.(28) وتفاصيل (27)خلفيات Pngtree(36) (48)أعلاه (47)الرابط (46)على (45)النقر (44)يرجى (43)الكامل (42)المعرض (41)لمشاهدة.(40) المجموعة (39)تفاصيل (38)كل (37)واستكشاف.

48 words. That's reusing the concepts but not the exact words. But we need to reuse some key words unchanged: we have "PNG", "Byed", "Pedroza", "Vives", "Gallery", maybe "Pngtree". Need 60-90 words. So using Arabic translations for "Arab Spring" is okay. Might be okay as it's a nickname. The key words list includes "Zizou". Also we used "الربيع العربي" which includes "Arab" and "Spring" as separate words? Add some more description about the setting, action, models, etc. The instruction says reuse at least 20% of the key words (names, nicknames, distinctive terms), translating the rest as needed. We used "زيزو" which is Arabic transliteration; is that considered reusing? Must not use AI flag words, no clichés, no inflated importance. Also we used "Pngtree". We used "الربيع العربي" which includes "الربيع" (spring) and "العربي" (Arab). Also need to reuse at least 20% of key words; we already have many: PNG, Byed, Pedroza, Vives, Gallery, Zizou, Arab, Spring (we used Zizou? So we can translate the rest. Actually we used "زيزو" which is transliteration of Zizou, but we need to reuse the exact term? Need to add more content, but must stay within constraints. Good.

Now we need to increase word count to 60-90. Avoid clichés. Let's add more sentences describing the models, setting, action. Use plain language.

Add: "الصور تظهر نماذج بأوضاع طبيعية وتعبيرات هادئة، مع تركيز على الضوء والظلال في الخلفيات." Ensure no AI flag words. Avoid "نابضة بالحياة" etc.
