About This Collection

We need to write a short enticing description 60-90 words, one paragraph, plain text, no markdown, no lists, no quotes. No emojis, no curly quotes, no markdown, no bold. Must avoid AI-flag words list. Must be in same language as title: English. Must not use em/en dashes, not use "not only X but Y", "At its core", forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "to" instead of "in order to", "because" instead of "due to the fact that". Must reuse at least 20% of key words from captions, and must include exact words: virginia, fanart, rtheforest, post, 4056830, good, evil, there, santa, claus, sons, forest, gsusart, absurdres, vault. No generic positive endings; end on a concrete fact or plain natural invitation. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to incorporate the required exact words naturally. Let's list required words: virginia, fanart, rtheforest, post, 4056830, good, evil, there, santa, claus, sons, forest, gsusart, absurdres, vault.

We must include them exactly as given (case-sensitive? Probably case-insensitive but we should match exactly). We'll include them in the paragraph.

We need 60-90 words. Let's aim for ~75 words.

We need to reference the gallery title "sons of the forest virginia r34". The description should tease models, setting, action. Use words from captions: fanart, rtheforest, post 4056830, goodorevil, YesVirginiaThereIsASantaClaus, gsusart, absurdres, vault, etc. Also mention "sons of the forest", "virginia (sons of the forest)", "gsusart", "absurdres", "vault". Also mention "r34". But we must not use forbidden words.

We must avoid "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Also avoid em/en dashes. Use commas.

We must not use "not only X but Y". Probably they mean avoid list of three items. Avoid forced groups of exactly three items (like "A, B, and C" maybe okay but not forced groups of exactly three? Avoid "At its core". Safer to avoid three-item lists.

We must use "to" instead of "in order to". No inflated importance, no sales language, no clichés. Use "because" instead of "due to the fact that". " That's a plain invitation.

We must not use emojis, curly quotes, markdown, bold. Plain text.

We must ensure at least 20% of key words from captions are reused. But we also have required words list. The captions have many words; we need to reuse at least 20% of them. We'll include many of them.

Now craft paragraph ~75 words.

Let's count words. We'll write a paragraph.
